Volunteers Needed!

Section 10 is looking for volunteers to help update a database for students applying for a pre-doctoral internships and post-doctoral positions. This is a great opportunity to get involved with the Division and get to know your colleagues in Section 10.

If you are interested please contact m.bogomaz@unf.edu

Information about the Upcoming Podcast

Be sure to check out September's episode of *Emerging Psychologist*, which features announcements for graduate students and early career professionals in clinical psychology as well as a discussion with Dr. Aaron Sawyer about pursuing alternative career paths with your clinical psychology education and training.

BECOME A CAMPUS REP

What is Campus Reps Program? Campus Reps program consists of graduate students (although early career psychologists are also welcome!) interested in promoting the field of Clinical Psychology by disseminating SCP and Section's psychoeducational materials and hosting Section-proposed activities on their school campuses and respective psychology programs.

Who is eligible to apply to become a campus rep? Graduate students who are members of Section 10. Early career psychologists are also encouraged to apply if interested in promoting clinical psychology at their workplace. For more information, please contact Natalia Potapova (Section 10 Representative) at natalia.potapova@wsu.edu.

How do I apply? See application attached!

Society of Clinical Psychology's Applying for Internship Webinar

Overview: Applying for a doctoral internship in clinical psychology is a major concern for graduate students, especially in the current climate of imbalance between applicants and sites. In response to the strong interest among our membership on this topic, Society for Clinical Psychology is offering a 60 minute webinar on applying for internship. This webinar will feature a panel discussion among leading experts who will discuss the application process. They will also provide an overview of specific sites, including community mental health centers, Veterans Affairs Medical Centers, and child-focused medical centers. Participants will have the opportunity to ask questions of the panel!

Presenters: Drs. Eleanor Mackey, Allison Ponce, Mitch Prinstein, and Risa Weisberg

Cost: \$15 for members and non-members

To register, go to: <http://www.div12.org/dashboard/webinar-series/>

SCP's Obtaining a Post-Doctoral Fellowship Webinar

Overview: This presentation provides a panel representing different areas of postdoctoral training in clinical psychology (adult psychopathology, child clinical, and neuropsychology). The panel members will describe the process of applying and interviewing for postdoctoral fellowship programs (both clinical and research track positions). Panel members will also describe how to navigate the negotiation process. Ample time will be permitted for questions from audience members.

Presenters: Drs. Russell Bauer, Elizabeth McQuaid, and Denise Sloan

Cost: \$15 for members and non-members
